

# **Updated** Schedule for Course Continuity Training

## Monday, March 16 and Tuesday, March 17, 2020

In light of emerging developments, including the closure of PA schools and the burden this places on faculty and staff, and in the interest of our entire community's health, we are moving to an ALTERNATIVE format for the trainings in remote teaching that Provost Anderson announced last week. We want to ensure the widest possible access and participation and be flexible in precisely the same ways we are asking you to be with your students.

Originally scheduled for ON CAMPUS on Monday and Tuesday, the new format is as follows:

We will still hold two days of training, from 8 a.m. to 4 p.m. We are introducing multiple paths for you to participate as your schedule and circumstances allow:

- Onsite, in person, in Moyer Hall
- Online, synchronously, via Zoom links provided below
- On your own time, via recorded video of all sessions available Monday evening on this video channel: <https://video.muhlenberg.edu/category/ITDL%3ECourse+Continuity>

### SCHEDULE OF SESSIONS FOR **BOTH** MONDAY & TUESDAY

8 a.m.            Onsite drop-in support

Online drop-in support: Zoom link:
